

PRODUCT INFORMATION

VITAGEN, Malaysia's first and No. 1 cultured milk drink, is a household brand that has grown alongside generations of Malaysians for over 40 years since 1977. Each bottle of VITAGEN is packed with billions of live, probiotic cultures of *Lactobacillus acidophilus* and *Lactobacillus paracasei* that are clinically proven for optimal digestive health.

With a line-up of fruity flavours and our signature LB flavour, VITAGEN Regular is made with wholesome milk and real fruit juices with no preservatives. For those who are looking to reduce their sugar intake, VITAGEN Less Sugar offers the same nourishing benefits.

Enjoy the convenience of having your favourite probiotic beverage delivered to your doorstep today with our VITAGEN Home Delivery service. Click to place your orders now:
