Poster Finalist presentation guidelines

- Ten (10) best posters will be selected to give an oral presentation of their posters at the Poster Finalists Presentation session (around 1545 hrs, Conference Day 2)
- Each presenter will be given the opportunity to provide an overview of his/her poster in 3 minutes. There will be no question-and-answer in this session and the presentations will not be evaluated.
- The moderator will be closely monitoring the session to ensure all speakers keep to the time. No usage of audio-visuals will be made available other than the presenter's poster.
